

QTE-001
ADDENDUM 2
MARCH 23, 2023

QUESTIONS AND ANSWERS

1. Is this a product purchase with installation and maintenance services? **Yes, the specifications include maintenance. A line item for maintenance has been added to the quote form; an updated version is attached.**
2. Or a lease with full-service maintenance? **We're not "leasing" the banners, we're purchasing them outright. But damaged ones (say wind-torn) the vendor would replace. To further clarify, the poles on which the banners will go are not "leased".**
3. What is the duration of this agreement? Start? Finish? **An agreement has not been contemplated for this service, but may be discussed with the selected vendor. One year would be the starting point; beginning in spring or early summer for a 12-month period.**
4. Who provides the seasonal change-out Banners? **The selected vendor will print the banners.**
5. What is life expediency for use of new Banners? **We are looking to re-use banners—with the exception of any that may be printed with dates. It is common for a good quality banner to be re-used 3 to 5 years.**
6. Will permits be required for this application? In the past? **Yes, we are looking for the vendor to obtain FDOT permit(s) or any other agency-required permit(s).**
7. Will there be a point person for communication? **The Public Services Department will designate a point of contact.**
8. Will there be a blanket PO or will one be required for each time we provide a service? **This has not been determined.**
9. Are you expecting a banner change out option per banner price? **Yes**
